

BBQ, Blues, HPV Vaccination, & You

AGENDA

DAY 1: Friday, September 24, 1-4:15 p.m.

1:00-1:10 pm **Welcome**

1:10-2:15 pm **“All Shook Up” – Elvis Presley: Review of existing data**

Explore national, state, and local data to understand the current state of HPV vaccination and HPV cancers and also opportunities for action.

Moderator: Michelle Heil, American Cancer Society

Presenters:

- Dr. Debbie Saslow, American Cancer Society: *Find Out What’s Happening—Elvis Presley: The Current State of HPV Vaccination Nationally*
- Dr. Seok Won Jin, University of Memphis: *HPV Vaccinations in the Memphis Metropolitan Area-Implications for Actions*
- Dr. Jennifer Erves, Meharry Medical College: *The Local Perspective of HPV vaccination: Where do we go from here?*

Materials:

- National Immunization Survey (NIS)-Teen data (2020): Pingali C, Yankey D, Elam-Evans LD, et al. National, Regional, State, and Selected Local Area Vaccination Coverage Among Adolescents Aged 13–17 Years — United States, 2020. *MMWR Morb Mortal Wkly Rep* 2021;70:1183–1190. DOI: <http://dx.doi.org/10.15585/mmwr.mm7035a1> 2020 NIS-TEEN MMWR: https://www.cdc.gov/mmwr/volumes/70/wr/mm7035a1.htm?s_cid=mm7035a1_w 2020 NIS-TEEN, jurisdiction: <https://stacks.cdc.gov/view/cdc/109214>
- NIS-Teen data (2019): Elam-Evans LD, Yankey D, Singleton JA, et al. National, Regional, State, and Selected Local Area Vaccination Coverage Among Adolescents Aged 13–17 Years — United States, 2019. *MMWR Morb Mortal Wkly Rep* 2020;69:1109–1116. DOI: <http://dx.doi.org/10.15585/mmwr.mm6933a1> 2019 NIS-TEEN MMWR: https://www.cdc.gov/mmwr/volumes/69/wr/mm6933a1.htm?s_cid=mm6933a1_w 2019 NIS-TEEN, jurisdiction: <https://stacks.cdc.gov/view/cdc/91797>
- NIS-Teen data (2018): Walker TY, Elam-Evans LD, Yankey D, et al. National, Regional, State, and Selected Local Area Vaccination Coverage Among

Adolescents Aged 13–17 Years — United States, 2018. MMWR Morb Mortal Wkly Rep 2019;68:718–723. DOI: <http://dx.doi.org/10.15585/mmwr.mm6833a2>

2018 NIS-TEEN MMWR: <https://www.cdc.gov/mmwr/volumes/68/wr/mm6833a2.htm> 2018 NIS-TEEN, jurisdiction: <https://stacks.cdc.gov/view/cdc/80678>

- Tennessee Department of Health. Report: HPV-Associated Cancers, 2009-2018. (PDF of report provided online on [event webpage](#).)
- U.S. Cancer Statistics Working Group. U.S. Cancer Statistics Data Visualizations Tool, based on 2020 submission data (1999-2018): U.S. Department of Health and Human Services, Centers for Disease Control and Prevention and National Cancer Institute; www.cdc.gov/cancer/dataviz, released in June 2021. Access HPV-associated cancer data by selecting “special analysis” from the main page menu and then “[cancers grouped by attributable risk factors](#)” from the dropdown menu. On the “cancers grouped by attributable risk factor” page, select the “HPV” dataset from the dropdown menu. From here, you can review rates of new HPV-associated cancers overall, by sex, by year (2018 or 2014-2018), by state, by race and ethnicity, and by age.

Session organized by: Dr. Heather Brandt, St. Jude Children’s Research Hospital and Elizabeth Berardi, Tennessee Department of Health

2:15-2:30 pm BREAK

2:30-3:30 pm “I’ll take you there” – The Staples Singers: Putting what works into practice

Provide a review of priority evidence-based interventions to improve HPV vaccination and prevent HPV cancers.

Moderators:

- Dr. Michelle Bowden, University of Tennessee Health Science Center and Le Bonheur Children’s Hospital
- Dr. Jennifer Berger, Le Bonheur Children’s Hospital

Presenters:

- Dr. Michelle Bowden, University of Tennessee Health Science Center and Le Bonheur Children’s Hospital and Dr. Jennifer Berger, Le Bonheur Children’s Hospital: *Putting What Works into Practice: A Local Example*
- Dr. Susan Vadaparampil, Moffit Cancer Center: *Being a Good Partner in Increasing HPV Vaccination: Sometimes You Lead and Sometimes You Follow*
- Dr. Marcie Fisher-Borne, American Cancer Society: *HPV VACs: What Works*
- Dr. Melissa Gilkey, University of North Carolina at Chapel Hill: *Communicating Confidence: Tips for Recommending HPV Vaccination in Primary Care*
- Dr. Rebecca Perkins, Boston University and National HPV Vaccination Roundtable: *Experience of Starting HPV Vaccination Before 11-years old- Results of a Multi-Site Intervention*

Session organized by: Andrea Stubbs, St. Jude Children’s Research Hospital and Dr. Michelle Bowden, University of Tennessee Health Science Center and Le Bonheur Children’s Hospital

3:30-4:00 pm “Whole Lotta Shakin’ Goin’ On” – Jerry Lee Lewis: Action planning

Collaborate on efforts to convert information to action locally in Memphis and Shelby County. Attendees will break into small groups for discussions led by a facilitator and notetaker to identify action opportunities for the roundtable.

Session organized by: Dr. Heather Brandt, St. Jude Children’s Research Hospital and Julia Neely, St. Jude Children’s Research Hospital

4:00-4:15 pm Closing

DAY 2: Friday, October 1, 1-4:15 p.m.

1:00-1:10 pm Welcome and recap of Day 1

1:10-1:40 pm “Call Me” – Al Green: Policy and advocacy influences on HPV vaccination

Describe the policy landscape influences on the current HPV vaccination environment in Tennessee.

Moderator: Rob Clark, St. Jude Children’s Research Hospital

Presenters:

- The Honorable London Lamar, Tennessee House of Representatives
- Emily Ogden, American Cancer Society
- Dr. Dorothy (Dee) Sinard, ImmunizeTN
- Kinika Young, JD, Tennessee Justice Center

Materials:

- UNITY United for Adolescent Vaccination: <https://www.unity4teenvax.org/>
- Vaccinate Your Family: <https://vaccinateyourfamily.org/>

Session organized by: Andrea Stubbs, St. Jude Children’s Research Hospital, and Dr. Ariel Long, Cherokee FQHC, Lauren McCann, Le Bonheur Children’s Hospital, Dr. Nate Boutte, Walgreen’s Community Specialty Store

3:15-4:00 pm **“Whole Lotta Shakin’ Goin’ On” – Jerry Lee Lewis: Action planning**

Collaborate on efforts to convert information to action locally in Memphis and Shelby County. Attendees will break into small groups for discussions led by a facilitator and notetaker to identify action opportunities for the roundtable. The final day will include determining priority action items.

Session organized by: Dr. Heather Brandt, St. Jude Children’s Research Hospital and Julia Neely, St. Jude Children’s Research Hospital

4:00-4:15 pm **Closing and Next Steps**

Access *BBQ, Blues, HPV Vaccination, & You* materials [online](#). [Bios](#) are available to allow you to meet the presenters and moderators. A single set of slides used for the event will be uploaded following October 1.

The virtual event will be recorded with a summary of action steps provided to all who [register](#).

We cannot be together in-person, but we can showcase Memphis scenes as [virtual backgrounds](#).

Enjoy listening to a [Spotify playlist](#) of Memphis-themed songs selected by the Planning Committee. Create a free account to start listening.
